**62%**

Improvement made in standardized test scores in the last two years.

Test scores have increased in the subjects of government, biology, reading, intermediate and junior high math.

Every core subject area has been updated with new curriculum and resources.

High achievement is supported by offering courses in technology, STEM and advanced placement, as well as gifted programming.

71% of district funds are spent on classroom instruction.

Technology is used in every classroom and each student carries a laptop with them.

**Xenia High School  
Class of 2018:**
